1. All work must be carried out with due consideration to other Residents
2. Advise the Owner of the start and finishing dates of the work, and arrange entry to Atlantis West as in 5 below.
3. Work is only permitted in Atlantis West between the hours of **8.30am to 4.30pm Monday to Friday. No work is to be carried out on weekends or public holidays.**
4. All Contractors must park their vehicles in the western car park only, and entry and exit is to be made through the roller garage door on basement 1 level only.
5. Please ensure the owner to whom you are contracting assists you with pre-arranged security entry and exit to the Western car park and entry to the building via the roller door into basement level 1 (B1). Ensure you are looked after by Owner while you are in the building, and that the Owner conducts the booking of the service lift and procurement of the lift floor mat.
6. The B1 roller door is to be closed immediately after use on each entry and exit occasion.
7. The carriage of tools, plant, equipment and materials is to be made in the service lift (lift 1) only. Pre-arrange with the Owner and Building Manager, to book the use of this lift timed for your arrival. **Note** that use of the lift is limited to individual times taken for carriage of equipment. It is not to be locked off for personal use for prolonged periods.
8. Ensure the protective rubber floor mat is obtained from the Building Manager and used on the lift floor at all times. The floor mat is to be returned to the Manager immediately after use. Any spillage, or mess created on common property flooring or in the lifts must be cleaned up immediately.
9. Contractors are encouraged to bring their own trolleys or carts to transport tools, equipment and materials up to units. The shopping trolleys stored on the basement levels are not to be used by contractors, however there are a limited number of trolleys stored at the roller door of the western car park which are set aside for the use of the contractors.

10. All work is to be carried out in an efficient manner. All foyers are to be protected from the lift area to the unit door at all times work is being carried out. If any mess is evident the carpet must be vacuumed immediately and if necessary shampooed on completion at the Owners expense.
11. **All Contractors & Sub-contractors are to provide a copy of their current Public Liability Insurance Policies to the Owner, for submission to the Body Corporate as proof of currency and adequate cover.**
12. Contractors who are independent sub-Contractors, who are not covered under the Primary Contractors Public Liability Insurance must have, and submit a copy, of their own Public Liability Insurance Cover to the unit Owner, as above.
