O God Our Help in Ages Past

O God, our help in ages past,
Our hope for years to come,
Our shelter from the stormy
blast,
And our eternal home:

Beneath the shadow of thy
throne,
Thy saints have dwelt secure;
Sufficient is thine arm alone,
And our defence is sure.

Before the hills in order stood,
Or earth received her frame,
From everlasting thou art God,
To endless years the same.

A thousand ages in thy sight
Are like an evening gone;
Short as the watch that ends the
night
Before the rising sun.

Abide with Me

Abide with me, fast falls the
eventide
The darkness deepens Lord, with
me abide
When other helpers fail and
comforts flee
Help of the helpless, oh, abide
with me

Abide with Me continued

Swift to its close ebbs out life's
little day
Earth's joys grow dim, its
glories pass away
Change and decay in all around
I see
O Thou who changest not,
abide with me

I fear no foe, with Thee at
hand to bless
Ills have no weight, and tears
no bitterness
Where is death's sting?
Where, grave, thy victory?
I triumph still, if Thou abide
with me...
